Material Safety Data Sheet
ORGANIC LAVENDER – High Altitude
Lavandula officinalis
ESSENTIAL OIL

Organic Lavender Oil High Altitude

1. Product & Company Identification

Product Name: Lavender Oil High Altitude

County of Origin: France

Supplier: NHR ORGANIC OILS

24 Chatham Place, BRIGHTON BN1 3TN (UK)

2. Composition/Information on Ingredients

Chemical Identification

Tariff No. CAS No. **8000-28-0**

CoE No. FEMA

FDA IFRA **Approved**

RIFM Monograph EINECS

3. Hazard Identification

Concentrated Product. Do not ingest. Observe good housekeeping procedures.

4. First Aid Measures

Eye Contact

Rinse immediately with plenty of water for 10 minutes at least. Contact a doctor if irritation persists.

Skin Contact

Remove contaminated clothing. Wash thoroughly with soap and water, flush with plenty of water. If irritation persists, seek medical advice.

Ingestion

Wash mouth out with water. Seek medical advice **immediately**.

Inhalation

Remove to fresh air. Rest. Obtain medical advice.

Other

Take Risk & Safety Phrases into account (section 15) when assessing action.

5. Fire Fighting Measures

Extinguishing Media Recommended

Keep away from sources of ignition. Do not smoke. Use CO₂, foam or dry powder extinguishers. Do not use direct water jet on burning material.

Special Measures

Avoid vapour inhalation. Use breathing apparatus and protective clothing.

Extinguishing Procedures

Closed containers may build up pressure at elevated temperatures. If possible, containers should be cooled off with water spray.

6. Accidental Release Measures

Personal Precautions

Use individual protective equipment (waterproof boots, suitable protective clothing, safety glasses). Do not approach downwind.

Environment Precautions

Keep away from drains, surface and groundwater, and soil.

Methods For Cleaning Up

Contain spilled material. Cover with an inert or non-combustible inorganic absorbent material, or sweep up and remove to an approved disposal container. Avoid naked flames or other sources of ignition.

7. Handling And Storage

Precautions In Handling

Apply good manufacturing practice and industrial hygiene practices, with proper ventilation. Do not eat, drink or smoke while handling. Observe good personal hygiene.

Storage Conditions

Store in cool, dry and ventilated area away from heat sources and protected from light in tightly closed container. Keep air contact to a minimum.

Fire Protection

Keep away from ignition sources and naked flames. All organic powders present a fire/explosion hazard when dispersed in air. See Health and Safety publications on dust explosions in factories for guidance.

8. Exposure Controls & Personal Protection

Respiratory Protection

Avoid breathing product vapour. Apply local ventilation where possible.

Ventilation

Ensure good ventilation of working area.

Hand Protection

Avoid skin contact. Use chemically resistant gloves if required.

Eye Protection

Use safety glasses.

Work/Hygiene Practices

Wash hands with soap and water after handling.

9. Physical & Chemical Properties

Odour

Sweet herbaceous.

Colour/Appearance

Clear pale yellow liquid.

Flash Point

68°C.

Boiling Point

Melting Point

10. Stability & Reactivity

Reactivity

It presents no significant reactivity hazards, by itself or in contact with water. Avoid contact with strong acids, alkali or oxidizing agents although has a tendency to melt plastic.

Decomposition

Carbon monoxide and other non identified organic compounds may be formed during combustion.

11. Ecological Information

Biodegradability

Not determined.

Precautions

Prevent surface contamination of soil, ground and surface water.

12. Disposal Considerations

In accordance with local environmental laws. Avoid disposing to drainage systems and into the environment.

13. Transport Regulations

Road (ADR/RID)

Sea (IMDG)

Air (IATA)

CHIP: See Section 15.

14. Regulatory Information

Hazards

Symbols

Risk Phrases

R36 - R38

Safety Phrases

S7, S25, S26, S27, S29, S35, S37, S39

15. Other Information

The information on this MSDS is correct to the best of our knowledge. However the accuracy of this information cannot be guaranteed by the company as the data has been obtained from different sources. We will not therefore accept liability for misuse of this data resulting in loss or damage.
