Refractive Index at 20°C	1.539
Optical Rotation (degrees)	-0.0°
Main Components	
Methyl salicylate	99.9%

Storage: Keep tightly closed, in a cool dry place away from heat, sunlight and moisture.

Shelf life of this product depends very much on storage conditions, particularly temperature and exposure to light and air.

Due to the natural ingredients contained in many of our products, there may be a slight batch to batch variation in the colour, odour, or consistency. However, we ensure that this does not affect the quality and efficiency of the products in any way.

We hereby certify that the above material meets the required specification and is released for free sale.
